TIED RUN-DOWN PEOPLE

A North Carolina Man Suggests a Remedy

Greensboro, N. C.—"For a long time I was so run down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic. Vinol, and I am so glad I did, for it gave me a hearty appetite. I soon commenced to sleep soundly, and I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allbrook. What Vinol did for Mr. Allbrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do as we claim. Come in and get a bottle on these terms.

NEWARK THEATRES

NEWARK THEATRE.
At the Newark Theatre next week Cohan & Harris will present George M. Cohan's triumphant comedy success "Get Rich Quick Wallingford," made into play form from George Randolph Chester's famous stories of the same title. This long and eagerly awaited offering will be given here by the original New York company, with the entire production precisely as presented at the George M. Cohan Theatre, New York City. Mr. Hale Hamilton will be seen in the same part which he created and played on Broadway for two seasons. William H. Boyd will portray the exacting role of "Blacksie Daw." Wallingford's advance agent and co-worker in the "con" game, Miss Frances Ring will be seen in her original part of Fanny Jasper, the stenographer and typist, the feminine character in the play.

PROCTOR'S THEATRE.
One of those extraordinary bills will be placed on view at Proctor's Park Place Theatre during the week of March 25th, when ten highly entertaining and widely diversified acts will be represented in the offerings; as an all-around measure of amusement the bill offers more fun and dignified entertainment to the square inch than any bill presented at that popular playhouse during the present season.

Nellie Nichols, the popular singing comedienne, who will be heard in a program of songs; while Willie Weston, famous among the "rag time" artists on the circuit, will also inject a little ginger into the proceedings. Others who will contribute to the general excellence of the bill will be Snyder and Buckley, booked as the "Two Band Man Band," who will provide enlivened fun in the nonsensical musical skit, entitled, "Blantz Wants a Drink." Belleclair and Herman, physical culture experts in a highly diverting act; Mulden and Herbert, in an amusing skit, entitled "Kidnapping a Policeman"; The Langdons, with their novelty, "Fun on the Boulevard"; Adonis and Dog, and the photo plays.

MINER'S THEATRE.
The attraction at Miner's Theatre, Newark, next week will be "The Girls from Missouri," presenting what they term a "two act musical nonsense" entitled "Modela la Carte." Sparkling musical numbers offer an opportunity to a dashing "Show Me" chorus to demonstrate what real efficiency can be attained by a collection of young and active "Girls." The big extra special feature will be Hamid's famous troupe of Seven Arabian Whirlwinds, direct from the Far East. Tuesday night the story writers will compete; Wednesday night, George Bothner will stage two exciting wrestling bouts, and on Friday night the amateurs will try again for professional honors.

GAYETY THEATRE.
At the Gayety Theatre next week there will be presented Gordon & North's big spectacular production, entitled, "The World of Pleasure." The cast of forty-five people is headed by the well-known laugh producers, Will Fox and Harry Marks Stewart. A new musical comedy by Don Roth, with lyrics by Willard Vale and music by Leo Edwards will be presented. There are numerous novelties in the production, among them a scene showing Luna Park in full illumination with the chute the chutes, helter-skelter and other important features that tend to make Coney Island a favorite resort. April 1st, Harry Hastings Big Show. Amateur night Friday.

To Civil War Veterans.
The commission appointed by his excellency, Governor Woodrow Wilson, for the purpose of causing the removal of the remains of the late Major General Philip Kearney to Arlington Cemetery, take this method to notify all veterans of the Civil War, who may desire to accompany the commission, that they may do so by making application to Charles F. Hopkins, Bonton, N. J. Applications must be made on or before April 1st, accompanied by the sum of \$8.50, either in cash, check or post-office order, or it cannot be considered. This amount covers the cost of transportation from Jersey City to Washington, D. C., and return and includes luncheon each way. The train will leave Pennsylvania Railroad station, Jersey City, on Friday, April 12th, at 8:30 A. M. and will stop to take on passengers at Newark, Trenton and West Philadelphia. All veterans receiving this notice are requested to give it publicity through the local newspapers in their vicinity.

Boy Scout News.

Last week at the regular Scout Council meeting nine tenderfoot scouts took the oath and eight second class scouts received their badges. About twenty more are ready and will be received at the April council meeting.

Last Saturday evening the minstrels gave their show at Central Hall for the benefit of the T. I. A. and was successful. Mr. W. I. Cannon was presented with a silver loving cup by the local council B. S. A. as an act of appreciation for his work among the boys, coaching them for this minstrel show. Mr. Cannon and the boys have become close friends and we hope this friendship may be as lasting forever as it is now.

The King Snake patrol of Troop 5, Wesley Hedden, patrol leader, are working hard to make the cake and candy sale which is to be held at the Liberty street school Tuesday afternoon, April 9th, a successful affair. The proceeds are for the camping expenses next summer of this patrol. The boys will have a good supply of home-made cake and candy on sale and are anxious that they will receive a good patronage from the people.

The first (4) first-class scouts of the Bloomfield Division B. S. A., completed their examinations during the past week with high honors and are entitled to a great deal of credit. These boys have studied hard all winter for this degree and are now capable of becoming assistant scout masters. Leland Dorothy, one of these boys, has already been appointed to that office. The remaining three boys are Fearon Moore, Donald Peck and Stanley Neefus.

William Waller of the National Headquarters, was the guest of the commissioner last Saturday and attended the minstrel show at Central Hall that evening. This boy has the honor of presenting the message of welcome from President Taft to General S. S. Baden-Powell, founder of the Boy Scouts, on his arrival to this country, Saturday, February 10, 1912. He wears a bronze medal for saving the life of one of his companions from drowning.

Troop 5 will be on their baseball field for their first practice of the season Saturday afternoon, if the day is clear.

Troop 6 gave an entertainment at the Soho chapel last night.

Senator Colgate's Position.

Chairman Sadler of the sewer committee reported to the Town Council Monday night that House bill No. 261, known as the Beard bill, was scheduled to come up in the Senate on Tuesday, the 19th inst., and Mr. Sadler made a motion that the mayor and clerk, on behalf of the town, send a telegram to every member of the Senate asking each senator to support the bill. The motion was unanimously adopted and Mayor Hauser said that further action should be taken in the form of a delegation of citizens going to Trenton and having personal talks with the senators. The mayor said he had made two visits to the capital in the interests of the bill and was willing to go again. He produced a letter that he had received from Senator Colgate in reply to a request that he (the senator) support the bill. The letter read as follows:

"Your letter about House bill 261 has been received and, as you say, I am in a peculiar position in the matter, as my own town does not want the bill and your town and others do want it. I will endeavor to assume a neutral position in the matter, as I do not want to go against the interests of Bloomfield, nor do I want to be opposed to the interests of Orange, East Orange, and Mountclair."

Mr. Sadler said that he had also written to Senator Colgate in regard to the matter and had pointed out that not only was Bloomfield interested in the bill, but also Belleville and Nutley residents were unanimous for it, and further pointed out that while some of the officials of Mountclair and East Orange were opposed to the bill, that did not apply to the people of those municipalities, many of whom were opposed to the Imhoff plan of sewage disposal.

The basketball "M" has been awarded to the following members of the team and substitutes: J. C. Thorne, J. A. Deeter, J. L. W. Douglas, J. A. Mathiasen, J. B. E. Niese has been elected captain of next year's team.
